## **Welcome**

In the relaxed ambience of a Arevara Dream Cruiser you will be taken on a magical voyage. Departing from the crowds, and sailing past the magnificent Islands, you will be spirited towards the exquisitely remote Islands. Only a few hours each day is spent underway, with the rest spent at anchor in a sheltered lagoon and ashore, so you can go exploring, play water sports, enjoy cultural activities or simply do nothing at all.

- **Build Info:** K. Guraidhoo Shipyard in 2008, by own Contractors Shipyard

## **Destinations**

We have three different cruise packages each begins at an international airport and ends at the same international airport.

Crossing the Equator begins at Gan international Airport while the other two packages, both Northern Horsburg and Under Water Caves begin at Male International Airport and ends at the same airport.

On each cruise we take you through several atolls making stopovers at famous dive and surf points, world famous resorts, pristine virgin islands and culture rich islands inhabited by the indigenous people setting anchor at calm lagoons at sunset.

CROSSING THE EQUATOR: ADDU ATOLL, HUVADHOO ATOLL

UNDERWATER CAVES: ALIF, VAAVU, MEEMU & THAA, ATOLLS

NORTHERT HORSBURG: MALE, LHAVIANI, BAA
