

## **COCONUT SPA – Fact sheet**

*Harmony, Serenity, Sensation, Energy: Discover a fusion of culture, with French Management and Balinese sumptuousness... Well established in Maldives since 2002, Coconut Spa offers you the ultimate experience with a great selection of massages, treatments and Spa packages.*

### **HISTORY**

It is a combination of passion for Indian Ocean, Balinese culture, beauty therapy and cosmetic that naturally brought the founders of Coconut Spa to its success.

Investing all their energy and knowledge, they opened their company in March 2002. In June 2002 followed their proper line of product and the opening of their training school in Bali.

The first Spa opened in Maldives in December 2002, since then Coconut Spa can proudly state the realization of 10 Spas in Maldives.

### **OUR PHYLOSOPHY**

Combining the French touch with Asian skills, we offer our clients a different kind of spa experience. One that is truly tailor-made, ensuring the most exceptional in spa treatments. Highly skilled Balinese therapists are engaged after 4 to 6 months of intensive training course at the Coconut Spa School in Bali itself to give guests the attention and results they are seeking for.

Our unique warm and very friendly hospitality with individualized treatments, our guest are pampered, looked after and receive the great added feeling of being home away from home.

We also believe that our team is the basement of our success. They are the hands that join personal development with evolution.

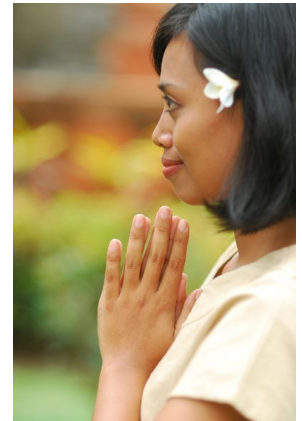

### **OUR PRODUCTS**

Using only natural plant essences and extracts, the Coconut Spa range of products has been specially designed to take care of the skin and to stimulate senses.

Among our variety of products, we have designed 4 specific themes:

- Energy
- Sensation
- Harmony
- Serenity

Our products are also available for retail in our boutique.
